UHCommunityPlan.com

Welcome

Welcome to the UnitedHealthcare Community Plan **Region 11** network of providers. Our doctors and hospitals are ready to meet your health care needs. This Plan requires that you select a primary doctor who will help you with your care.

If you have any questions, please call Customer Service at **1-888-716-8787**, available 8 a.m.–7 p.m., Monday–Friday.

This is your directory

The primary doctors, specialists, hospitals and others are the providers that make up the Plan Network listed in this directory. This Plan requires you to choose a primary doctor.

All providers in this directory were contracted with the network at the time it was printed. Since the listing may have changed after printing, please check when making an appointment to make sure your provider is in network by calling Customer Service at **1-888-716-8787**, available 8 a.m.–7 p.m., Monday–Friday. You may also log on to **UHCCommunityPlan.com** to view our online provider directory.

Your doctor may determine you have a medical condition requiring special services not available from providers in your network. You are eligible for coverage of these medically necessary services when they are authorized in advance by your doctor. **You do not need a referral if you have special health care needs.** The out-of-network provider should contact Provider Services at 1-877-842-3210 for help. Payment for care for medically necessary services is subject to the limits of your health plan coverage. These limits are in your enrollee handbook.

Some providers may choose not to perform certain services based on religious or moral beliefs.

Reporting incorrect information

To report incorrect information, email provider_directory_invalid_issues@uhc.com.

This email is for members to report potential inaccuracies for demographic (address, phone, etc.) data elements identified on the online or paper directories. Reporting issues via this email will result in an outreach to the provider's office to verify all directory demographic data.

Individuals can also report potential inaccuracies via phone. UnitedHealthcare Community Plan members should call the number on the back of their member ID card. Non-UnitedHealthcare Community Plan members can call **1-888-638-6613**.

Providers should go to UHCprovider.com/portal to use the My Practice Profile tool in the UnitedHealthcare Provider Portal under the Practice Management drop-down. Contractual issues should be addressed through your UnitedHealthcare Network contact at UHCprovider.com/contactus.

How we screen our doctors

UnitedHealthcare reviews providers' credentials at the time they apply for admission to the network and regularly from then on. This is done to make sure they meet UnitedHealthcare's quality standards. Some of the things that UnitedHealthcare reviews include:

- Medical licenses
- Training and board certificates
- Network hospital admitting privileges
- Medical practice records

Credentials for providers are verified with public and private groups. Final evaluation, recommendation and admission of a provider to the UnitedHealthcare network is supported by a panel. The panel includes valued providers based in your own community.

What is a network?

A network is a group of physicians, specialists, hospitals, outpatient centers, home health groups, pharmacies, lab services and other providers who are contracted to provide services.

The primary doctor

When you become a member, you will be given a primary care doctor. The primary doctor is your personal or family doctor. They will help with all your medical care. When required, they will refer you to a specialist, other providers, or hospitals.

Each family member can choose a primary care doctor. You may change your doctor by calling Customer Service. You may choose to have all family members who are on UnitedHealthcare's Medicaid Plan served by the same primary care provider. You may also choose a different primary care provider based on each person's needs. Members see their doctors by appointment, except for emergency situations.

A referral from your primary doctor is required before seeing most specialists. **You do not need a referral if you have special health care needs. The following specialty providers do not require an authorization:**

- OB/GYN
- Podiatry
- Dermatologist
- Optometry
- Chiropractor
- Behavioral Health/Substance Abuse Professionals

Referrals are only for specialty visits. You do not need a referral if you have been identified as having special health care needs. The following services do not require a referral:

- Emergency services at an emergency room or hospital
- Flu shots and pneumonia vaccinations
- Kidney dialysis services from a certified dialysis facility when you are temporarily outside the Health Plan's service area
- Routine women's health care, such as breast exams, screening mammograms, Pap tests, and pelvic exams, as long as you get them from an in-network provider
- Routine eye exams and hearing exams, eyeglasses, contacts, or hearing aids from an in-network provider

If you do not have a referral before seeing a specialist for a service not listed above, the service will not be paid.

Selecting a specialist

If you need to visit a specialist, talk to your doctor. They can help you find one. If your primary doctor feels you need to see a specialist, they must direct you to a participating provider.

Your primary doctor chooses the specialty provider based on his or her referring practices and hospital affiliation. If your primary doctor denies directing you to the specialty care provider of your choice, you have the right to file a grievance. Please refer to your enrollee handbook for steps on how to file.

Essential Providers

Essential Providers can be used all over Florida.

Essential Providers are:

- Faculty plans of Florida medical school faculty physician groups
- Regional perinatal intensive care centers (RPICC)
- Specialty Children's Hospitals

Essential Providers serve medically complex children with the following care:

- Medical group home
- In-home and outpatient nursing care
- Therapies
- Pharmacy services
- Durable medical equipment
- Prescribed pediatric extended care

Hospitals

UnitedHealthcare provides hospital coverage when medically necessary. All your inpatient care must be authorized by UnitedHealthcare. In case of emergency admissions, UnitedHealthcare should be notified within 48 hours. If you get care without prior authorization (except in an emergency situation or an out-of-area urgent care situation), you will be responsible for all costs. The hospital selection is decided by your Plan doctor's admitting privileges with certain hospitals, the services offered by the hospital and the hospital's arrangement with UnitedHealthcare.

To find out the hospital affiliation of primary and specialty providers, call Customer Service at **1-888-716-8787**.

A doctor's care when you are in the hospital

Your hospitalists care is directed by your primary doctor. If your primary doctor cannot provide this service, UnitedHealthcare has contracted with doctors that are referred to as "hospitalist." The hospitalist will direct your care throughout your hospital stay. They will also contact your primary doctor. When you are released, your primary doctor will continue to help you with your care.

During your hospital stay, your primary doctor will speak with your admitting doctor so they are aware of your condition or progress.

Should you or your family like to speak with your admitting doctor, please contact the hospital staff and ask to speak to the admitting doctor. Our goal is to provide you with the best possible care. We want to keep you and your family informed about your health care during a hospital stay.

Medical records

UnitedHealthcare will not release any of your personal or medical information to anyone without your written consent, unless required by law.

Mental health and/or substance abuse services

United Behavioral Health, Inc. (UBH) for the IPA network

UBH, as a subsidiary of UnitedHealthcare Group, provides managed mental health and substance abuse care to UnitedHealthcare members. As a managed behavioral health care company, UBH is responsible for managing and reviewing all Mental Health and/or Substance Abuse (MHSA) services. This typically includes prior authorization for inpatient and outpatient care, concurrent review, coordination of services with primary doctors and the development of new programs to meet the needs of our members. Every mental health provider in the UBH network has been evaluated by the UBH Quality Assurance Committee. Mental Health and/or Substance Abuse services may be obtained by calling UBH directly toll-free at 1-800-582-8220 or TTY/TDD toll-free at 1-888-229-1412 (for hearing impaired) from 8 a.m. to 5 p.m. Please see your enrollee handbook for the benefits available.

Prior notification

There are certain services that require Prior Notification. Your primary doctor will make sure that the required notification is obtained. If you want to know what services require pre-authorization, you can call Customer Service at **1-888-716-8787** for a list.

Prescription drugs

As a UnitedHealthcare Community Plan member, you will get prescription medicines at no cost. You will need a written prescription from your primary care physician (PCP) or UnitedHealthcare specialist to have your prescription filled. Many over-the-counter medicines are covered if you have a prescription. Just take your prescription to a participating pharmacy.

UnitedHealthcare uses a Preferred Drug List (PDL) for your prescription coverage. A PDL is a list of medicines a health plan (and other health organizations) approve for use. Having a PDL helps your doctor to prescribe medicines for you. New drugs and forms of treatment are being introduced every year. UnitedHealthcare will add drugs to its PDL as needed.

Most medicines that you may need are included in our PDL. If your medication is not on the list, your doctor may call the UnitedHealthcare Pharmacy Department for covered drugs. If you have special need for a drug not on the UnitedHealthcare Medicaid PDL, contact your doctor or pharmacist or call the Member Helpline at **1-888-716-8787** to see if your medication is covered. There are both brand name and generic drugs on the PDL.

UnitedHealthcare requires generic drugs be used when available. If a medication is not listed on the PDL, your doctor may request it through our prior authorization process. During the prior authorization process, you will receive a 5-day temporary supply of the medicine, if you have not already been taking the medicine and it is safe for you to take. If you have questions about the PDL, talk to your doctor or pharmacist.

Quality improvement program

UnitedHealthcare is committed to addressing your needs. Our mission is to “improve the health and quality of life of the people we serve by providing quality health care and management services.”

The Quality Improvement Program monitors the delivery of care and services you get. We strive to improve the health and well-being of our members.

The Quality Improvement Program is provided throughout the organization to make sure the full use of appropriate resources to provide the best possible care to you and your family.

Experimental or investigational services

Experimental or investigational services are clinically unproven. They are excluded from coverage under your health plan benefits. When UnitedHealthcare gets requests for newly developed medical equipment or procedures be covered, these requests are reviewed by the Technology Assessment Committee. The committee consists of physicians and other health care professionals. The Committee uses national guidelines and scientific evidence to help decide whether UnitedHealthcare should approve the use of equipment or procedure.

Servicio al Cliente

1-888-716-8787, TTY **711** para personas con discapacidad auditiva

Horario: 8 a.m. a 7 p.m., de lunes a viernes

UHCommunityPlan.com

Bienvenido

Bienvenido a la red de proveedores de la **Región 11** de UnitedHealthcare Community Plan. Nuestros doctores y hospitales están listos para satisfacer sus necesidades de atención médica. Este plan requiere que usted seleccione a un doctor primario que lo ayudará con su atención médica.

Si usted tiene alguna pregunta, llame a Servicio al Cliente al **1-888-716-8787**, de 8 a.m. a 7 p.m., de lunes a viernes.

Este es su directorio

Los doctores primarios, especialistas, hospitales y otros son los proveedores que integran la Red del Plan que se anotan en este directorio. Este plan requiere que usted elija a un doctor primario.

Todos los proveedores de este directorio tenían un contrato con la red en el momento en que el directorio se imprimió. Dado que la lista puede haber cambiado después de la impresión, usted debe verificar cuando programe una cita para asegurarse que su proveedor esté aún dentro de la red llamando a Servicio al Cliente al **1-888-716-8787**, de 8 a.m. a 7 p.m., de lunes a viernes. También puede iniciar una sesión en **UHCommunityPlan.com** para ver nuestro directorio de proveedores en internet.

Su doctor puede determinar que usted tiene una afección médica que requiere servicios especiales que no están disponibles en los proveedores de su red. Usted es elegible para la cobertura de estos servicios médicamente necesarios cuándo son autorizados previamente por su doctor. **No necesita una referencia si tiene necesidades especiales para los cuidados de salud.** El proveedor fuera de la red debe comunicarse con Servicios para proveedores al 1-877-842-3210 para obtener ayuda. El pago de la atención médica por servicios médicamente necesarios está sujeto a los límites de la cobertura de su plan de salud. Estos límites se encuentran en su manual para afiliados.

Algunos proveedores pueden optar por no realizar ciertos servicios basados en creencias religiosas o morales.

Informar información incorrecta

Para informar información incorrecta, envíe un correo electrónico a **provider_directory_invalid_issues@uhc.com**.

Este correo electrónico es para que los miembros informen posibles inexactitudes en los elementos de datos demográficos (dirección, teléfono, etc.) identificados en los directorios en línea o impresos. Informar problemas a través de este correo electrónico resultará en un acercamiento a la oficina del proveedor para verificar todos los datos demográficos del directorio.

Las personas también pueden informar posibles inexactitudes por teléfono. Los miembros de UnitedHealthcare Community Plan deben llamar al número que figura en el reverso de su tarjeta de identificación de miembro. Los miembros que no pertenecen a UnitedHealthcare Community Plan pueden llamar al **1-888-638-6613**.

Los proveedores deben ir a **[UHCprovider.com/portal](https://uhcprovider.com/portal)** en el Portal de proveedores de UnitedHealthcare para usar la herramienta Mi Perfil de Práctica (My Practice Profile) en el menú desplegable Administración de Práctica (Practice Management). Los problemas contractuales deben abordarse a través de su contacto de UnitedHealthcare Network en **[UHCprovider.com/contactus](https://uhcprovider.com/contactus)**.

Cómo evaluamos a nuestros doctores

UnitedHealthcare revisa las credenciales de los proveedores en el momento en que solicitan la admisión a la red y regularmente se continúa haciéndolo. Esto se lleva a cabo para garantizar que cumplan con los estándares de calidad de UnitedHealthcare. Algunas de las cosas que revisa UnitedHealthcare incluyen:

- Licencias médicas
- Capacitación y certificados de la junta
- Privilegios de admisión de hospitales de la red
- Registros de práctica médica

Las credenciales de los proveedores se verifican con grupos públicos y privados. La evaluación final, la recomendación y la admisión de un proveedor a la red de UnitedHealthcare cuentan con el respaldo de un panel. El panel incluye proveedores reconocidos dentro de la comunidad donde usted vive.

¿Qué es una red?

Una red es un grupo de doctores, especialistas, hospitales, centros ambulatorios, grupos de salud en el hogar, farmacias, servicios de laboratorio y otros proveedores contratados para brindar servicios.

El doctor primario

Cuando usted sea un miembro, se le asignará a un doctor de atención primaria. El doctor primario es su doctor personal o familiar. Ellos le ayudarán con toda sus atenciones médicas. Cuando sea necesario, lo referirán a un especialista, a otros proveedores o a hospitales.

Cada miembro de la familia puede elegir a un doctor de atención médica primaria. Usted puede cambiar de doctor llamando a Servicio al Cliente. Usted puede elegir que todos los miembros de su familia que están en el plan de UnitedHealthcare Plan de Medicaid sean atendidos por el mismo proveedor de atención primaria. También se puede elegir a un proveedor de atención primaria diferente en función de las necesidades de atención médica de cada persona. Los miembros consultan con sus doctores haciendo una cita previa, excepto cuándo se trata de situaciones de emergencia.

Se requiere de una referencia de su doctor primario antes de consultar con la mayoría de los especialistas. **Usted no necesita una referencia si tiene necesidades especiales de atención médica. Los siguientes proveedores especializados no requieren de una autorización:**

- Obstetra/ginecólogo
- Podología
- Dermatólogo
- Optometría
- Quiropráctico
- Profesionales de salud conductual/abuso de sustancias

Las referencias son solo para visitas especializadas. Usted no necesita una referencia si se ha identificado que tiene necesidades especiales de atención médica. Los siguientes servicios no requieren una referencia:

- Servicios de emergencia en una sala de emergencias u hospital
- Vacunas contra la gripe y la neumonía
- Servicios de diálisis renal de un centro de diálisis certificado cuando se encuentra temporalmente fuera del área de servicio del plan de salud
- Atención médica de rutina para mujeres, como exámenes de los senos, mamografías de detección, pruebas de Papanicolaou y exámenes pélvicos, siempre que los obtenga de un proveedor dentro de la red.
- Exámenes de la visión y audición de rutina, anteojos, lentes de contacto o audífonos de un proveedor dentro de la red

Si usted no obtiene una referencia antes de ver a un especialista para algún servicio que no esté arriba mencionado, el servicio no será pagado.

Para seleccionar a un especialista

Si usted necesita visitar a un especialista, hable con su doctor. Ellos pueden ayudarlo a encontrar uno. Si su doctor de atención médica primaria considera que usted necesita ver a un especialista, debe referirlo a un proveedor participante.

Su doctor de atención médica primaria elige al proveedor especializado según sean sus prácticas de referencia y su afiliación al hospital. Si su doctor de atención médica primaria se niega a referirlo al proveedor de atención médica especializada de su elección, usted tiene el derecho a presentar una queja. Consulte su manual para afiliados para conocer los pasos acerca de cómo puede presentar una queja.

Proveedores esenciales

Los Proveedores esenciales se pueden usar en toda Florida.

Los Proveedores esenciales son:

- Planes de la facultad de los grupos de médicos de la facultad de la escuela de medicina de Florida
- Centros Regionales de Cuidados Intensivos Perinatales (RPICC)
- Hospitales Infantiles de Especialidades

Los Proveedores esenciales atienden a niños médicamente complejos con la siguiente atención:

- Hogar de grupo médico
- Atención de enfermería a domicilio y ambulatoria
- Terapias
- Servicios de farmacia
- Equipo médico duradero
- Cuidado extendido pediátrico recetado

Hospitales

UnitedHealthcare brinda cobertura hospitalaria cuando es médicamente necesario. Toda su atención médica hospitalaria debe estar autorizado por UnitedHealthcare. En caso de admisiones de emergencia, se debe notificar a UnitedHealthcare dentro de 48 horas. Si usted recibe atención médica sin autorización previa (excepto en una situación de emergencia o una situación de atención médica de urgencia fuera del área), usted será responsable de todos los costos. La selección del hospital se decide según los privilegios de admisión de su doctor del plan en ciertos hospitales, los servicios ofrecidos por el hospital y el acuerdo del hospital con UnitedHealthcare.

Para conocer la afiliación de hospitales de los proveedores primarios y especializados, llame a Servicio al Cliente al **1-888-716-8787**.

La atención médica de un doctor cuando usted está en el hospital

La atención médica de su hospitalista está dirigida por su doctor primario. Si su doctor primario no puede proporcionar este servicio, UnitedHealthcare ha contratado a doctores a los que se les llama como “hospitalistas”. El doctor hospitalista dirigirá su atención médica durante su estadía en el hospital. También se comunicarán con su doctor primario. Cuando usted sea dado de alta, su doctor de atención médica primaria continuará ayudándole con su atención médica.

Durante su estadía en el hospital, su doctor de atención médica primaria hablará con su doctor de admisión para que estén al tanto de su condición o progreso.

Si usted o su familia desean hablar con su doctor de admisión, comuníquese con el personal del hospital y pida hablar con el doctor de admisión. Nuestro objetivo es brindarle la mejor atención médica posible. Nosotros queremos mantenerle a usted y a su familia informados acerca de su atención médica durante una estadía en el hospital.

Expedientes médicos

UnitedHealthcare no divulgará su información personal o médica a nadie sin su consentimiento por escrito, a menos que lo exija la ley.

Servicios de salud mental y/o abuso de sustancias

United Behavioral Health, Inc. (UBH) para la red IPA

UBH, como subsidiaria de UnitedHealthcare Group, brinda atención médica administrada de salud mental y por el abuso de sustancias a los miembros de UnitedHealthcare. Como compañía de atención médica conductual administrada, UBH es responsable de administrar y revisar todos los servicios de salud mental y/o abuso de sustancias (MHSA). Por lo general, esto incluye la autorización previa para la atención médica de pacientes hospitalizados y ambulatorios, la revisión simultánea, la coordinación de servicios con los doctores primarios y el desarrollo de nuevos programas para satisfacer las necesidades de nuestros miembros. Cada proveedor de salud mental en la red de UBH ha sido evaluado por el Comité de Garantía de Calidad de UBH. Los servicios de salud mental y/o abuso de sustancias se pueden obtener llamando directamente a UBH sin cargo al 1-800-582-8220 o TTY/TDD sin cargo al 1-888-229-1412 (para personas con discapacidad auditiva) de 8 a.m. a 5 p.m. Consulte su manual para afiliados para conocer los beneficios disponibles.

Notificación previa

Hay ciertos servicios que requieren de una Autorización previa. Su doctor de atención médica primaria se asegurará que se obtenga la autorización previa requerida. Si usted desea conocer cuáles son los servicios que requieren de una autorización previa, usted puede llamar a Servicio al Cliente al **1-888-716-8787** para obtener una lista.

Medicamentos de receta

Como miembro de UnitedHealthcare Community Plan, usted obtendrá medicamentos recetados sin costo alguno. Usted necesitará tener una receta por escrito de su doctor de atención médica primaria (PCP) o especialista de UnitedHealthcare para que le surtan el medicamento. Muchos medicamentos de venta libre están cubiertos si usted tiene una receta. Simplemente lleve su receta a una farmacia participante.

UnitedHealthcare utiliza una Lista de Medicamentos Preferidos (PDL) para su cobertura de medicamentos recetados. Una PDL es una lista de medicamentos que un plan de salud (y otras organizaciones de salud) aprueban para su uso. Tener una PDL le ayuda a su doctor a recetarle medicamentos. Cada año se introducen nuevos medicamentos y formas de tratamiento. UnitedHealthcare agregará medicamentos a su PDL según sea necesario.

La mayoría de los medicamentos que usted pueda necesitar están incluidos en nuestra PDL. Si su medicamento no está en la lista, su doctor puede llamar al Departamento de Farmacia de UnitedHealthcare para obtener medicamentos cubiertos. Si usted tiene una necesidad especial de un medicamento que no está en la PDL de Medicaid de UnitedHealthcare, comuníquese con su doctor o farmacéutico o llame a la Línea de ayuda para miembros al **1-888-716-8787** para conocer si su medicamento está cubierto. Hay medicamentos de marca y genéricos en la PDL.

UnitedHealthcare requiere que se usen medicamentos genéricos cuando estén disponibles. Si un medicamento no se anota en la PDL, su doctor puede solicitarlo a través de nuestro proceso de autorización previa. Durante el proceso de autorización previa, usted recibirá un suministro temporal del medicamento para 5 días, si aún no ha tomado el medicamento y es seguro que usted pueda tomarlo. Si usted tiene preguntas acerca de la PDL, hable con su doctor o farmacéutico.

Programa del mejoramiento de la calidad

UnitedHealthcare se compromete a satisfacer sus necesidades. Nuestra misión es “mejorar la salud y la calidad de vida de las personas a las que servimos al brindar servicios de administración y atención médica de calidad”.

El Programa de mejoramiento de la calidad supervisa la prestación de la atención médica y de los servicios que usted recibe. Nosotros nos esforzamos por mejorar la salud y el bienestar de nuestros miembros.

El programa de mejoramiento de la calidad se proporciona a través de toda la organización para garantizar el uso completo de los recursos apropiados para brindarle la mejor atención médica posible a usted y a su familia.

Servicios experimentales o de investigación

Los servicios experimentales o de investigación no están clínicamente probados. Están excluidos de la cobertura bajo los beneficios de su plan de salud. Cuando UnitedHealthcare recibe solicitudes para que se cubran procedimientos o equipos médicos desarrollados recientemente, estas solicitudes son revisadas por el Comité de Evaluación de Tecnología. El comité está formado por doctores y otros profesionales de la salud. El comité utiliza guías nacionales y evidencia científica para ayudar a decidir si UnitedHealthcare debe aprobar el uso de equipos o procedimientos.
