

Helping employees pay for health care and make more informed care decisions

Studies show that 72% of consumers are concerned about health care and out-of-pocket expenses.¹ To help employees pay for certain health care costs and encourage them to use quality care, we offer Care Cash™. This preloaded debit card can be used for UnitedHealthcare Premium® primary care and specialist provider visits, as well as network primary care provider visits, Virtual Visits, urgent care visits and outpatient behavioral health visits.

Spending power

Care Cash is designed to give employees:

- \$200** for the year for individual coverage, or
- \$500** for family coverage

The card is reloadable, with any remaining balance rolling over each year.*

Care Cash most-used benefits²

- 1st** Premium Care Physicians
- 2nd** Behavioral health providers
- 3rd** Virtual Visits
- 4th** Urgent care facilities

continued

43%

of consumers aren't engaged in their health plan, which may result in lost opportunities for better health and lower costs³

United Healthcare

Engaging employees to help drive positive health behaviors

Care Cash is available to all employees, not just those who are high utilizers of health care. When employees receive financial support for health care expenses through Care Cash, they may be able to save money, stay healthier and take ownership of their health.

70+%

used their Care Cash card for primary care physician visits, which may lower their total cost by 7%⁴

7 out of 10

of the first 40% of employees who registered for Care Cash activated their card²

\$2,051

average savings per Virtual Visit when an employee shifts from an ER visit⁵

How it works:

- 1 Employees receive information about Care Cash and can request the card on myuhc.com[®]
- 2 Once received and activated, the Care Cash card can be used for certain eligible health care expenses
- 3 Employees have access to viewing other programs and benefits through myuhc.com or can call a toll-free number for guidance

“I’m so thankful that I no longer have to wait until payday to see my doctor because I don’t have my copay. Thanks for Care Cash.”

⁵ 2018: Subtracted \$49 (average Virtual Visit) from \$2,100 (average ER visit). Average allowed amounts charged by UnitedHealthcare Network Providers and not tied to a specific condition or treatment. Actual payments may vary depending on benefit coverage.

Care Cash is not available in all states. Care Cash provides a preloaded debit card that can be used for certain health care expenses. The information provided in connection with Care Cash is for general informational purposes only and is not intended to be nor should be construed as medical advice. Individuals should consult an appropriate health care professional to determine what may be right for them.

Use of this card is subject to the terms and conditions of the Cardholder Agreement. Issued by Optum Bank[®], Inc., Member FDIC, pursuant to license by Mastercard International.

Virtual Visits phone and video chat with a doctor are not an insurance product, health care provider or a health plan. Unless otherwise required, benefits are available only when services are delivered through a Designated Virtual Network Provider. Virtual Visits are not intended to address emergency or life-threatening medical conditions and should not be used in those circumstances. Services may not be available at all times, or in all locations, or for all members. Check your benefit plan to determine if these services are available.

The UnitedHealth Premium[®] designation program is a resource for informational purposes only. Designations are displayed in UnitedHealthcare online physician directories at myuhc.com[®]. You should always visit myuhc.com for the most current information. **Premium designations are a guide to choosing a physician and may be used as one of many factors you consider when choosing a physician. If you already have a physician, you may also wish to confer with him or her for advice on selecting other physicians. You should also discuss designations with a physician before choosing him or her. Physician evaluations have a risk of error and should not be the sole basis for selecting a physician.** Please visit myuhc.com for detailed program information and methodologies.
